## EXPERIENCE

### RAJ LAXMI ENTERPRISES, Lucknow — *Site Engineer*

1 APRIL 2021 - PRESENT

- I started working at Barabanki, Gadhiya where the project was PMGSY's (Cement Concrete road with side drainage) all work under the guidance of PwD.
- I started working at Vikalp Khand gomti nagar, Lucknow where the project of pavement (BM and WBM), Construction of Pavement separator (which means partition of carriageway), maintenance of boundary wall of parks and maintenance of drainage all work under the guidance of LDA.
- I learned how to make daily reports and maintain a grit stock register and how to report in the office.
- I learned how much manpower required for per meter work like pcc, rafting, wall casting and excavation.
- I Learned Google Sheets, Google Doc. and Lucid Chart for reporting directly to the office.
- I have taken photos with an online gps camera application from start to till now.
- I studied How to find Quantity of materials and Types of steel materials.
- I learned quick tests of material on site for quality measures (Cements, bricks & steel).

### K L ENTERPRISES, Lucknow — *Site Engineer*

MARCH 2020 - FEBRUARY 2021

- I joined this company after the epidemic of covid19 worked as an engineer and performed many construction operations like installation of new and parallel sewer line or water pipe lines, Reconstruction of Tube wells and renovation of official buildings.
